To Whom It May Concern:

Please be advised that Dewhurst for Texas meets the FEC's best efforts requirements as outlined below.

All original solicitations for contributions to Dewhurst for Texas contain a clear and conspicuous request for the contributor information and inform the contributor of the requirements of federal law for the reporting of such information.

If the information is not provided, Dewhurst for Texas makes a follow-up, stand alone effort to obtain the information, regardless of whether the contribution was solicited. The follow-up request is made in writing and sent within 30 days of receipt of the contribution. The request clearly asks for the missing information without soliciting a contribution, informs the contributor of the requirements of federal law for the reporting of such information, and includes a pre-addressed post card or return envelope.

If contributor information is received after the original contribution is reported, Dewhurst for Texas files an amended memo Schedule A on its next report listing all the contributions for which additional information was received or files amendments to the report or reports originally disclosing the contributions.

If you have any questions regarding the campaign's best efforts procedures, please do not hesitate to contact me.
Sincerely,

Dr. Carlos R. Hamilton, Jr.
Treasurer, Dewhurst for Texas
